

# Spatial RDD: Energy Strategy 2050 Vote Shares at Canton Border

RD estimate: -4.49 pp (SE = 2.32,  $p = 0.053$ ) | Bandwidth: 3.7 km | N = 1278

Dots show bin means (2 km bins); lines show local polynomial fits.

Negative distances = control side; positive = treated side. Corrected sample: distance to own canton border.
